REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens and School Board of the Wentworth School District:

I hereby submit my fourth annual report as Superintendent of Schools.

Instruction

Two changes in the teaching staff have occurred owing to resignations this year. Dorothy Kuehn resigned at Atwell Hill and Gertrude Gilman of Warren is teaching there. Leonard J. Smith resigned at the village school and was followed in January by Carlton E. Brett of Keene, a graduate of the four-year course of the Keene Normal School. For sometime the present supervision has stressed the fundamentals of Arithmetic and this having reached a reasonable expectancy attention this year is being directed to written English, spelling, punctuation and penmanship.

Equipment

Early in the fall the water system at the village school leaked to such an extent that it was imperative to repair it at once. Careful examination showed that it was expedient to lay entire new pipe in a new ditch to avoid other piping. The old pipe had been laid many years ago and an analysis of water sometime ago showed substantial traces of lead.

Conclusion

The statistical reports appear at the end of this report. The budget has been prepared with great care with economy and efficiency in mind. Owing largely to expected increase in high school enrollment, reduction in state aid and increased commodity prices the amount required for schools is larger than last year.
